

TAKE TO THE SIDESTREETS

WALKING MAP

Walk Bankside's side streets to reduce your exposure to pollutants (by 25%) and uncover the story of the neighbourhood hidden in plain sight along its medieval streets. Now more than ever it's a time to step onto quieter routes with fewer pedestrians and glimpse London's Other Side through a new lens. This map highlights those routes through Bankside which can be taken to and from transport hubs to your workplace.
